DECLARATION OF
JOHN C. GARCES & WENDY NELSON

We, John C. Garces and Wendy Nelson, hereby declare that:

1. We are, respectively, the prosecuting attorney and the docket clerk in connection with the above-identified patent application.
2. We are providing this declaration to affirm that a search of the file jacket and docket record in connection with the above-identified patent application were performed. Based on that search it has been determined that we do not have a copy of the Notice of Allowance dated October 24, 2003 that was purportedly mailed to the offices of Schulte Roth & Zabel LLP or any evidence of the Notice of Allowance ever having been received.
3. Attached is a true copy of a redacted printout of a docket record for the period of September 30, 2003 to the present for the above-identified patent application. The docket record indicates that the only items received during this period for the above-identified patent application were the EP Search Report, docketing on September 30, 2003, and the Notice of Abandonment, which is the subject of this Declaration and accompanying petition.

4. If a Notice of Allowance dated October 24, 2003 had been received by our docket department, in accordance with our standard practices and procedures it would have been recorded in the docket system and the following entries would have appeared on the attached docket record:

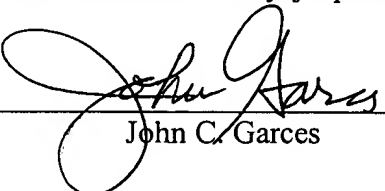

<u>Action(s) Due</u>	<u>Due Date</u>	<u>Action Taken</u>
Notice of Allowability	24-Oct-2003	Received 24-Oct-2003
Notice of Allowance	24-Oct-2003	Received 24-Oct-2003
Issue Fee Due	24-Jan-2004	Due Date

5. If a Notice of Allowance dated October 24, 2003 had been received by our docket department, in accordance with our standard practices and procedures it would have been forwarded to the attorney prosecuting the application for his or her review.

6. Moreover, had we received a Notice of Allowance dated October 24, 2003 there would have been no logical reason to file the Supplemental IDS dated September 3, 2004, eight months after the date the issue fee was to be paid in the above-identified patent application.

7. In view of the foregoing, it is our belief as confirmed by review of the file, our docket record and our practices and procedures, that we never received a Notice of Allowance in the above-identified patent application.

8. We hereby declare that all statements made herein of our own knowledge are true, and that all statements made on information and belief are believed to be true; and, further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
